5. AlixPartners performed prepetition advisory work for the Debtors and as a result has acquired significant knowledge of the Debtors and their businesses and familiarity with the Debtors' financial affairs, debt structure, operations, and related matters. Likewise, in providing prepetition services to the Debtors, AlixPartners has worked closely with the Debtors' management and their other advisors. Accordingly, AlixPartners has experience, expertise, and specifically relevant knowledge regarding the Debtors that will assist it in providing effective and efficient services in these chapter 11 cases.

Services to Be Provided

6. Subject to further order of the Court, AlixPartners may provide the services described in the Agreements including, but not limited to, the following (collectively, the “**Financial Advisory Services**”):

- Assist in preparation for a chapter 11 proceeding, including the preparation of bankruptcy petitions and “first day” motions and coordinating and providing administrative support for the proceeding.
- Assist with the preparation of the statement of affairs, schedules and other regular reports required by the Court, as well as providing assistance in other areas.
- Assist in obtaining and presenting information required by parties in interest in the Debtors’ bankruptcy process including official committees appointed by the United States Trustee, and their advisors approved by the Court, and the Court itself.
- Assist management of the Debtors in the design and implementation of a restructuring strategy and chapter 11 plan, taking into account the unique interests of all constituencies, including a possible trust or similar structure for the benefit of certain creditors.
- Assist the Debtors in managing its cash forecasting process and in creating or refining an actual to forecast variance reporting mechanism including the tracking of all intercompany cash movements.
- Provide assistance to management, in connection with the Debtors’ development and/or refinement of its business plan, and such other related forecasts.
- Assist the Debtors’ investment banker in obtaining and compiling information that is needed to present the Company or one or more business units to prospective purchasers or investors.
- Assist in communications and negotiations with stakeholders and their representatives, as well as with potential acquirers of Debtors assets.
- Assist with testimony before the Court on matters that are within AlixPartners’ areas of expertise.
- Assist management in managing the “working group” professionals who are assisting the Debtors in the reorganization process or who are working for the Debtors’ various stakeholders to improve coordination of their effort and individual work product to be consistent with the Debtors’ overall restructuring goals.
- Assist in responding to due diligence requests from any official committee(s) appointed in a chapter 11 proceeding and other key constituencies.
- Identify and quantify the amount of all cash and non-cash asset distributions made by the Company on or after January 1, 2008 to its parent companies, their beneficial shareholders and/or their families and/or any other entity in which their beneficial owners or families own a controlling interest (the “**Affiliated Entities**”).

- Identify all transfer pricing, royalty and other operational agreements between the Company and the Affiliated Entities in place on or after January 1, 2008. Quantify the amount of value transferred and received under these agreements (cash or non-cash) and whether these agreements represented arm's length market agreements.
- Identify all payments made to, expenses reimbursed for or costs covered for the Company's beneficial owners or their families on or after January 1, 2008.
- Prepare a report, in writing, if necessary at Counsel and/or the Company's request, and if required by the case.

- Assist management in developing and analyzing potential cost reduction and revenue growth opportunities, including an analysis of headcount and spend by function, research and development pipeline spend and SG&A spend.
- Assist with such other matters as may be requested that fall within AlixPartners' expertise and that are mutually agreeable.

7. The Financial Advisory Services are necessary to the Debtors' restructuring efforts and in the ongoing operation and management of the Debtors' businesses while subject to chapter 11 of the Bankruptcy Code.

No Duplication of Services

8. AlixPartners understands that the Debtors may retain additional professionals during the term of its engagement and will work cooperatively with such professionals to integrate any respective work conducted by the professionals on behalf of the Debtors. The Financial Advisory Services provided by AlixPartners will complement, and not duplicate, the services rendered by any other professional retained in these chapter 11 cases.

Fee and Expense Structure

9. AlixPartners' decision to accept this engagement to provide services to the Debtors is conditioned upon its ability to be retained in accordance with its customary terms and conditions of employment, compensated for its services, and reimbursed for the out-of-pocket expenses it incurs in accordance with its customary billing practices, as set forth in Schedule 1 of the Agreements (the "**Fee and Expense Structure**").

10. AlixPartners' current standard hourly rates for 2019, subject to periodic adjustments, are as follows:

Title	Hourly Rate
Managing Director	\$990 – \$1,165
Director	\$775 – \$945
Senior Vice President	\$615 – \$725
Vice President	\$440 – \$600
Consultant	\$160 – \$435
Paraprofessional	\$285 – \$305

11. AlixPartners reviews and revises its billing rates on January 1 of each year. Changes in applicable hourly rates will be noted on the invoices for the first time period in which the revised rates became effective.

12. In addition to compensation for professional services rendered by AlixPartners' Personnel, AlixPartners will seek reimbursement for reasonable and necessary expenses incurred in connection with these chapter 11 cases, including transportation costs, lodging, and meals.

13. The Fee and Expense Structure is consistent with and typical of compensation arrangements entered into by AlixPartners and other comparable firms that render similar services under similar circumstances. The Debtors believe that the Fee and Expense Structure is reasonable, market-based, and designed to compensate AlixPartners fairly for its work and to cover fixed and routine overhead expenses.

14. To the extent AlixPartners requires services of its international divisions or personnel from specialized practices, the standard hourly rates for that international division or specialized practice will apply.

15. To the extent AlixPartners uses the services of independent contractors (the “**Contractors**”) in these chapter 11 cases, AlixPartners shall: (a) pass through the cost of such Contractors to the Debtors at the same rate that AlixPartners pays the Contractors; (b) seek reimbursement for actual costs only; (c) ensure that the Contractors are subject to the same conflict checks as required for AlixPartners; and (d) file with the Court such disclosures required by Bankruptcy Rule 2014.

Allowance of Fees and Expenses

16. AlixPartners intends to apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with these chapter 11 cases consistent with the Fee and Expense Structure, subject to this Court’s approval and in compliance with applicable provisions of the Bankruptcy Code, including sections 330 and 331, the Bankruptcy Rules, the Local Rules, and any other applicable procedures and orders of this Court.

17. AlixPartners will also maintain records in support of any fees (in 1/10th of an hour increments), costs, and expenses incurred in connection with services rendered in these chapter 11 cases. Records will be arranged by category and nature of the services rendered and will include reasonably detailed descriptions of those services provided on behalf of the Debtors.

18. AlixPartners does not seek a success fee in connection with this engagement.

19. The Fee and Expense Structure is consistent with and typical of compensation arrangements entered into by AlixPartners and other comparable firms that render similar services under similar circumstances. The Debtors believe that the Fee and Expense Structure is reasonable, market-based, and designed to compensate AlixPartners fairly for its work and to cover fixed and routine overhead expenses.

Payments Prior to the Petition Date

20. AlixPartners received advance retainer payments from the Debtors in the amount of \$1,750,000.00 (the “**Retainer**”). In the ninety (90) days prior to the Petition Date and in addition to the Retainer described above, the Debtors paid AlixPartners a total of approximately \$8.3 million for professional services performed and expenses incurred.

21. Debtors do not owe AlixPartners any sums for prepetition services.

Indemnification

22. As a material part of the consideration for which AlixPartners agreed to provide the services described herein, the Debtors agreed to the indemnification provisions contained in Schedule 2 of the Agreements (collectively, the “**Indemnification Provisions**”). The Indemnification Provisions contain standard indemnification language with respect to AlixPartners’ services including, without limitation, an agreement by the Debtors to indemnify, hold harmless, and defend AlixPartners and its affiliates and its and their partners, directors, officers, employees, and agents (collectively, the “**AlixPartners Parties**”) from and against all claims, liabilities, losses, expenses and damages arising out of or in connection with the engagement of AlixPartners that is the subject of the Agreements, except to the extent caused by gross negligence, bad faith, or willful misconduct of any AlixPartners Parties.

23. The terms and conditions of the Agreements, including, but not limited to, the Indemnification Provisions, were negotiated by the Debtors and AlixPartners at arm's length and in good faith. The Indemnification Provisions, contained in the Agreements and as modified in the Order, viewed in conjunction with the other terms of AlixPartners' proposed retention, are reasonable and in the best interest of the Debtors, their estates, and creditors. Accordingly, as part of this Application, I believe that this Bankruptcy Court should approve the Agreements.

AlixPartners' Disinterestedness

24. In connection with its proposed retention by the Debtors in these chapter 11 cases, AlixPartners undertook a lengthy review to determine whether it had any conflicts or other relationships that might cause it not to be disinterested or to hold or represent an interest adverse to these chapter 11 cases. Specifically, AlixPartners obtained from the Debtors and/or their representatives the names of individuals and entities that may be parties in interest in these chapter 11 cases ("**Potential Parties in Interest**"). Such parties are listed on Schedule 1 attached hereto. A search was performed for connections to the Potential Parties in Interest as to AlixPartners Holdings, LLP ("**Holdings**"), AlixPartners' parent company, and each of Holdings' U.S. and non-U.S. subsidiary affiliates. Results are disclosed for connections to Potential-Parties-in-Interest. In addition, an email is sent to all of their professionals inquiring of any potential connections.

25. Based on that review, AlixPartners represents that, to the best of its knowledge, AlixPartners knows of no fact or situation that would represent a conflict of interest for AlixPartners with regard to the Debtors. Unless otherwise noted, references to AP in the disclosures below collectively refer to AlixPartners, Holdings, and each of their subsidiary affiliates. AlixPartners wishes to disclose the following:

- AlixPartners is a wholly owned subsidiary of Holdings. The equity capital of Holdings is owned individually by: (i) the Managing Directors of AlixPartners; (ii) Lakeview Capital Holdings, Inc., the Jay Alix Living Trust and other affiliates of Jay Alix (collectively the

“**Lakeview Parties**”); (iii) affiliates of each of (a) Caisse de dépôt et placement du Québec (“**CDPQ**”), (b) Investcorp Bank B.S.C. (“**IVC**”), and (c) Public Sector Pension Investment Board (“**PSP Investments**”); and (iv) other individuals and trusts. Neither CDPQ, nor IVC, nor the Lakeview Parties, nor PSP Investments (collectively, the “**Investors**”), nor any Managing Director, other individual or trust separately owns a majority of the equity capital of Holdings directly or indirectly or separately controls the Boards of either Holdings or AlixPartners. None of the Investors own any of the bank or other debt of AlixPartners.

CDPQ is an institutional investor that manages funds primarily on behalf of a number of Quebec-based public pension and insurance plans. As one of Canada’s leading institutional fund managers, CDPQ invests globally in major financial markets, private equity, infrastructure and real estate.

Investcorp is a leading global provider and manager of alternative investment products.

The Lakeview Parties and related entities are entities owned or controlled by Jay Alix that, among other things, make investments on behalf of Mr. Alix and his family.

PSP Investments is a Canadian Crown corporation established in 1999 to manage employer and employee contributions made after April 1, 2000 to the Canadian Federal Public Service, the Canadian Forces and the Royal Canadian Mounted Police pension funds. It is also responsible for contributions made after March 1, 2007 to the Canadian Reserve Force Pension Fund. PSP Investments manages a diversified global portfolio composed of investments in public financial markets, private equity, infrastructure, natural resources, real estate and private debt.

Designees of the Investors or their subsidiaries serve as some of the members of the Boards of Directors of each of AlixPartners and Holdings (collectively, the “**Boards**”). In addition to their investments in Holdings, all of the Investors have substantial investments unrelated to AP. Accordingly, as a precautionary matter, AP maintains information barriers designed to prevent confidential client information, including the names of clients likely to be involved in reorganization proceedings under the Bankruptcy Code, from being shared with the Investors or their designees on the Boards.

To that end, no material nonpublic information about the Debtors has been or will be furnished by AP to the Investors, the InvestCos (as defined below) or their Board designees, and AP will continue to abide by its confidentiality obligations to the Debtors. AP operates independently of the Investor Conflicts Parties (as defined below), and does not share employees, officers or other management with any such Investor Conflicts Parties (as defined below). AP and each of the Investor Conflicts Parties have separate offices in separate buildings, use separate Internet email addresses, and do not otherwise share IT systems. No personnel of the Investor Conflicts Parties work on AlixPartners client matters or have access to AlixPartners client information or client files or client personnel. No AP executive or employee is a director, officer or employee of any Investor. Each Investor is governed by its own board of directors or similar body and managed by its own management team. Each Investor is independent of each other Investor.

AlixPartners has searched the names of the Debtors and the list of Potential Parties in Interest against the names of (i) the Investors, (ii) the subsidiaries of the Investors that either hold a direct position in Holdings or hold a direct position in the entity that holds a direct position in Holdings (collectively, the “**InvestCos**”), and (iii) the subsidiaries of the Investors that hold, directly or indirectly, positions in the respective InvestCos. In addition, AlixPartners has searched and/or will request each Investor to search the names of the Debtors against the

companies that the InvestCos have a direct greater than 10% investment in (collectively, with (i) – (iii) the “**Investor Conflicts Parties**”). AlixPartners has determined, to the best of its knowledge based solely on that search, that there are no connections with the Investor Conflicts Parties that require disclosure other than as noted herein. Because of the information barriers described above, the sheer size of the investment portfolios of the Investor Conflicts Parties, and any applicable securities laws, prior to the Petition Date, AlixPartners was unable to further investigate any potential or actual connections between the Investor Conflicts Parties and the Debtors and the Potential Parties in Interest. To the extent any potential or actual connections are discovered after the Petition Date, if there exists a material connection, AlixPartners will promptly supplement this disclosure. Notwithstanding the foregoing, AlixPartners’ conflicts check did not and will not extend to entities owned by mutual funds in which an Investor Conflicts Party has an interest; entities owned by separate accounts managed by non-affiliates for an Investor Conflicts Party; entities owned by private equity funds in which an Investor Conflicts Party has a limited partnership interest managed by non-affiliates (even though the particular Investor Party may be represented on the limited partner advisory board or investor committee and even though the particular Investor Conflicts Party may have a passive interest in the general partner); entities where any of the Investor Conflicts Parties serves as general partner or investment manager holding interests representing, directly or indirectly, 10% or less. Nor does it or will it necessarily include indirect investments, such as businesses owned or investments made by an Investor Conflicts Party’s portfolio company(ies), or passive investments held or managed by any of the Investor Conflicts Parties. In addition, because of the sheer size of the investments of the Investors and their respective affiliates and subsidiaries, except as described herein, AlixPartners’ conflicts check did not and it will not necessarily include any other affiliates or subsidiaries owned, directly or indirectly, by each Investor, or any investments made by such other affiliates or subsidiaries, nor will it include, to the extent applicable, any depositors of the Investors.

Although AlixPartners has performed a conflicts check of the Investor Conflicts Parties as set forth above, as a result of, among other things, the sheer size of the investments of the Investor Conflicts Parties, one or more of the Investor Conflicts Parties may, in the ordinary course and from time to time, hold, control and/or manage loans to, or investments in, the Debtors and/or Potential Parties in Interest and/or may trade debt and/or equity securities in the Debtors and/or Potential Parties in Interest. In addition, one or more of the Investor Conflicts Parties may also have had, currently have, or may in the future have business relationships or other connections with the Debtors or other Potential Parties in Interest. To the extent AlixPartners learns of material business relationships or other material connections that are not included herein, AlixPartners will promptly file a supplemental disclosure.

Other than as specifically noted herein, AlixPartners has not undertaken to determine the existence, nature, and/or full scope of any business relationships or connections that the Investor Conflicts Parties may have with the Potential Parties in Interest, the Debtors and their affiliates, or these chapter 11 cases.

Further, AlixPartners may have had, currently have or may in the future have business relationships with, among other entities, portfolio companies of the Investors and portfolio companies of private equity funds in which they are limited partners, in matters unrelated to the

Debtors or their affiliates in these chapter 11 cases. Based on, among other things, the business separation between each of the Investor Conflict Parties and AlixPartners, the contractual client confidentiality obligations of AlixPartners and the information barriers referred to above, AlixPartners believes that it does not hold or represent an interest adverse to the estate with respect to the engagement.

28. AlixPartners and its affiliates are claims agents, advisors, and crisis managers providing services and advice in many areas, including restructuring and distressed debt. As part of its diverse practice, AlixPartners appears in numerous cases, proceedings, and transactions involving many different attorneys, accountants, investment bankers, and financial consultants, some of whom may represent claimants and parties in interest in these chapter 11 cases. Further, AlixPartners has in the past, and may in the future, be represented by various attorneys and law firms, some of whom may be involved in these chapter 11 cases. In addition, AlixPartners has been in the past, and likely will be in the future, engaged in matters unrelated to the Debtors or these chapter 11 cases in which it works with or in opposition to other professionals involved in these chapter 11 cases. Moreover, AlixPartners might have referred work to other professionals who are retained in these chapter 11 cases. Likewise, certain such professionals who are retained in these chapter 11 cases might have referred work to AlixPartners. To the best of my

knowledge, information, and belief, insofar as I have been able to ascertain after reasonable inquiry, none of these business relationships constitute interests adverse to the Debtor.

29. From time to time, AlixPartners has provided services, and likely will continue to provide services, to certain creditors of the Debtors and various other parties adverse to the Debtors in matters wholly unrelated to these chapter 11 cases. As described herein, however, AlixPartners has undertaken a detailed search to determine, and to disclose, whether it is providing or has provided services to any significant creditor, equity security holder, insider or other party in interest in such unrelated matters.

30. To the best of my knowledge, information and belief, insofar as I have been able to ascertain after reasonable inquiry, none of the AlixPartners personnel (a) have any connection with the U.S. Trustee, or any employee in the Office of the U.S. Trustee; or (b) are related or connected to any United States Bankruptcy Judge for Southern District of New York, except as otherwise set forth herein.

31. To the best of my knowledge, none of the members of the engagement team or AP is a direct holder of any of the Debtors' securities. It is possible that members of the engagement team or certain of AlixPartners employees, managing directors, board members, equity holders, or an affiliate of any of the foregoing, may own interests in mutual funds or other investment vehicles (including various types of private funds) that own the Debtors' or other parties in interest's debt or equity securities or other financial instruments, including bank loans and other obligations. Typically, the holders of such interests have no control over investment decisions related to such investment funds or financial instruments. AlixPartners' policy prohibits its employees from personally trading in the Debtors' securities.

32. To the best of my knowledge, information and belief, insofar as I have been able to ascertain after reasonable inquiry, AlixPartners has not been retained to assist any entity or person other than the Debtors on matters relating to, or in direct connection with, these chapter 11 cases. AlixPartners will continue to provide professional services to entities that may be creditors or equity security holders of the Debtors or other parties in interest in these chapter 11 cases, provided that such services do not relate to, or have any direct connection with, these chapter 11 cases or the Debtors.

33. Certain of AlixPartners' employees, managing directors, board members, equity holders, or an affiliate of any of the foregoing may have financial accounts or insurance relationships with a potential party in interest.

34. Despite the efforts described above to identify and disclose the connections that AP has with parties in interest in these chapter 11 cases, because the Debtors form a large enterprise with numerous creditors and other relationships, AlixPartners is unable to state with certainty that every client relationship or other connection has been identified and disclosed.

35. In accordance with section 504 of the Bankruptcy Code and Bankruptcy Rule 2016, neither I nor AlixPartners has entered into any agreements, express or implied, with any other party in interest, including the Debtors, any creditor, or any attorney for such party in interest in these chapter 11 cases, (a) for the purpose of sharing or fixing fees or other compensation to be paid to any such party in interest or its attorneys for services rendered in connection therewith, (b) for payment of such compensation from the assets of the estates in excess of the compensation allowed by the Court pursuant to the applicable provisions of the Bankruptcy Code, or (c) for payment of compensation in connection with these chapter 11 cases other than in accordance with the applicable provisions of the Bankruptcy Code.

36. Accordingly, except as otherwise set forth herein, insofar as I have been able to determine, neither I, AlixPartners nor any AlixPartners personnel holds or represents any interest adverse to the Debtors or their estates, and AlixPartners is a “disinterested person” as that term is defined in section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code, in that AlixPartners and its professionals and employees who will work on the engagement:

- (a) are not creditors, equity security holders, or insiders of the Debtors;
- (b) were not, within two years before the Petition Date, a director, officer or employee of the Debtors; and
- (c) do not have an interest materially adverse to the interest of the Debtors’ estate or any class of creditors or equity security holders, by reason of any direct or indirect relationship to, connection with, or interest in, the Debtors, or for any other reason.

37. If AlixPartners discovers additional information that requires disclosure, AlixPartners will promptly file a supplemental disclosure with the Court as required by Bankruptcy Rule 2014. AlixPartners reserves the right to supplement this Declaration in the event that AlixPartners discovers any facts bearing on matters described in this Declaration regarding AlixPartners’ employment by the Debtors.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.
